Holidays in school time may be less expensive but your child's education is **PRICELESS!**

North Tyneside Council has teamed up with the UK's largest independently owned travel agent, Hays Travel, to reduce the cost of family holidays taken outside of school term time by 10%.

We are committed to maximising the full potential of every child in North Tyneside and consistent attendance at school is crucial to providing your child with the best chance of success. Your support is needed to ensure holidays are not taken during school time, so your child does not miss out on any of their precious education.

To make this easier for you, North Tyneside Council and Hays Travel are offering every family in the area a 10% saving off the price of their next holiday. Over 10,000 families regionwide have taken advantage of the scheme.

What's the catch?

There isn't one! Simply read the rest of this leaflet, get the voucher signed by the school and then take it along to one of the participating Hays Travel shops. The 10% discount can be taken off ANY holiday you choose up until 31 August 2012.

School is very important for our children and their education is priority, however, when prices are more expensive in the peak summer holidays it is a costly getaway. The scheme is a great idea and has allowed us to afford more than one family holiday a year.

I think the discount scheme is wonderful, we have saved over £300 on our family holiday. Taking our children away can be an expensive time but with the help of this scheme going away in the school holidays is much more affordable especially in this difficult time with the current recession.

FAQ

Do I really get 10% off the cost of my holiday?

Yes! Every family with a child at School in North Tyneside is entitled to 10% off the price of holidays booked through Hays Travel. Only non-commissionable items such as fuel supplements are excluded from the discount.

Last year we went to Florida and I used my voucher, but this year we just want to take the kids to London for a weekend break. Can I still use the discount?

Of course. You can claim your 10% discount off the price of any holiday, as long as it is during the official school break.

I have already booked a holiday using the voucher, but am planning a second family holiday this year. Can I get another voucher?

Yes, simply contact your child's school where they will have extra supplies.

We couldn't afford a holiday abroad this year but we were still able to use the Hays discount off our UK break.

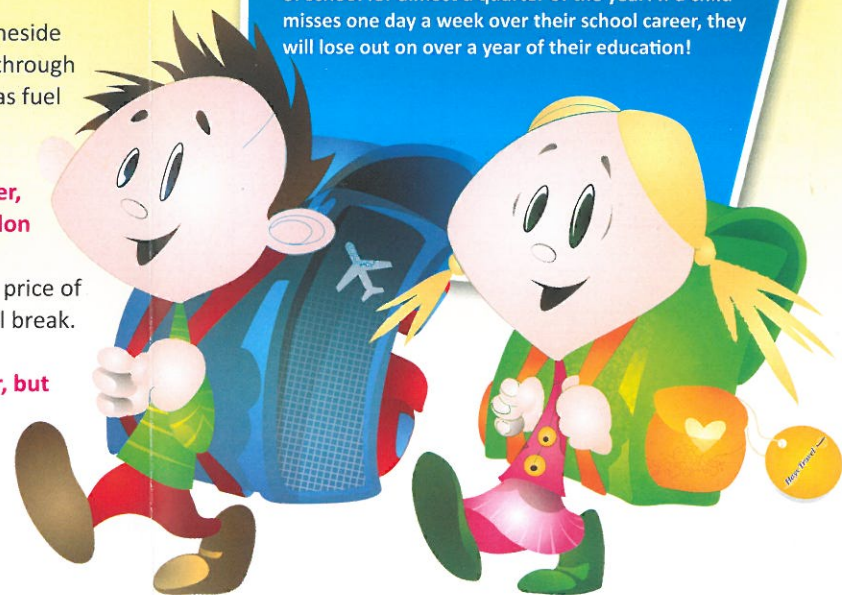

Mrs Taylor, North Tyneside

How do I claim my discount?

- Check for the official school holidays.
- Tear off the discount voucher and complete your details on the back.
- Ask your child's school to sign the voucher. If this is not possible, you will need proof that your child attends a school in North Tyneside e.g end of year report, along with birth certificate or passport.
- Take the voucher (and proof of attendance if necessary) to the Hays Travel shop and book your family holiday!

Fact...

Children already have 13 weeks holiday a year. By taking an additional two weeks, your child is out of school for almost a quarter of the year! If a child misses one day a week over their school career, they will lose out on over a year of their education!
