Being Responsible - Improving Learning:

1. I will try my very best in every lesson.
2. I will write an Individual Learning Plan. This is my own plan to help me make progress towards my targets. I will complete self assessments on a regular basis and be encouraged to evaluate my progress against my targets.
3. I will keep to deadlines for all coursework/controlled assessment tasks and be aware of how to improve my work.
4. I will try my very best in every lesson.
5. Homework can improve my understanding of topics. In Year 9 I should expect at least one hour of homework per night whilst in Year 10/11 I will be expected to do 1 – 2 hours of homework per night. Homework should be completed on time.

I will play an active role in Learning:

1. I will respect the rights of others to enjoy school.
2. I will help others to learn when I can.
3. My parents will help and encourage me in my learning.
4. The school will keep improving how it helps me learn.

Accountability:

1. The school will ensure you have at least three 1-2-1 sessions where a teacher will discuss progress towards your targets. This may also be a time to re-assess your targets.
2. The school will try to keep me safe, teach me well, and listen to my concerns.
3. I will be responsible for others. I will be sensitive to other students. I will be prepared to ask for support from the school.
4. The school will do everything it can to help me do well, be safe and be happy.
5. My parents will help me and the school succeed.

I am responsible for being in school on time, learning and being thoughtful to others.
