Foundation Proposals – Public Notice

Proposal to implement The Innovation Trust

Notice is given in accordance with section 19(3) of the Education and Inspections Act 2006 that the governing body of Monkseaton Community High School intends to make a prescribed alteration to Monkseaton Community High School, Seatonville Road, Monkseaton, Tyne & Wear, NE25 9EQ. The proposed alteration is to:

- Change category from community school to foundation school
- Acquire a foundation established otherwise than under the School Standards and Framework Act 1998

The proposed name of the foundation is The Innovation Trust and the proposed implementation date is 20 August 2007.

The members of The Innovation Trust will be Monkseaton High School, North Tyneside Local Authority, Microsoft, Tribal Education, Professor Daniel Muijs and Professor David Reynolds. Professor Reynolds will also be the Chair of the Board of Trustees. Dr Paul Kelley will be the Chief Executive Officer.

The governing body of Monkseaton High School believes that there is substantial scope for improvement within the school, and that The Innovation Trust will play a valuable and unique role in helping to provide the ideas, research, resources, and contacts with which to make improvement across all areas of education a reality. The Trust will make a contribution to raising standards in many ways, for example:

- using better information about students' ability, feelings, skills and health to better meet their needs
- improving students', staff and parents' access to - and use of - new technology
- applying best practice and new knowledge about human development from other organisations, including universities, to help students learn and school improve

This is a summary notice of the proposal to make the alterations listed above.

Seatonville Road, Monkseaton, Tyne & Wear, NE25 9EQ, UK.

Tel: +44 (0)191 297 9700 Fax: +44 (0) 191 200 8771

The work of Dr Kelley and his staff is evident in almost every government document concerned with raising standards and achievement
