

North East charity Bright Futures Young Womens Project and Northumbria Police have developed a App which provides a range of information, advice and sources of support for children, young people and parents around a range of issues which may affect them.

The App contains information around: substance misuse and former legal highs, confidence and self-esteem, mental health and self-harm, healthy relationships, grooming, online and e-safety, consent and exploitation.

The App also provides information to access further support.

The App can be downloaded from the following links:
