1. Overview

Monkseaton High School recognises the vital role good attendance and punctuality plays in a student's school life and academic achievement. Regular attendance and being punctual will help students in their adult lives by preparing them to enter the world of work. Good attendance at school will also help students to develop social skills, make friends, and help them to communicate well with others. We recognize that parents have a strong role to play and that there is a need to establish strong home school links.

In order for this policy to be successful, every member of the school community must make attendance a high priority.

2. Our aims

- To work with parents/carers to ensure individual student attendance is as high as possible, supporting and challenging where needed
- To ensure that students understand the importance of attendance and punctuality
- To regularly monitor attendance patterns so that appropriate interventions can be put in place to **support students and their families**.

3. Why is attendance important?

The government is clear that pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school. Absence from school will lead to gaps in knowledge and understanding and will eventually have an impact on exam grades. Evidence shows that good attendance is significantly correlated with higher performance and outcomes in examinations.

Good attendance and punctuality also help to prepare students to enter the world of work. Regular attendance is also important to develop communication and social skills and to maintain friendships.

What is the expectation?

All students should attend school every day for the full day. Across the school year (190 days) this would be reported as 100% attendance.

96% attendance is the **minimum** that we would expect. If attendance falls to 90% or below, students are classed by the government as being a persistent absentee. One day's absence from school means that 5 lessons have been missed.

Attendance percentages are not like examination results:

An attendance percentage needs to be 96%+ before it can be considered excellent. Consider the following examples over the course of a school year (190 days):

- 10 days absence = 95% attendance = 50 lessons missed
- 20 days absence = 89% attendance = 100 lessons missed
- 29 days absence = 85% attendance = 145 lessons missed
- 38 days absence = 80% attendance = 190 lessons missed
- 47 days absence = 75% attendance = 235 lessons missed

A guide to excellent attendance:

Descriptor	Attendance	Information	Days/ Lessons lost
Excellent	96%	Your child's attendance is above 96%. As well as being an excellent attender your child will almost certainly achieve the best grades for their ability and have real opportunity in further education or the world of work	0-7.5 Days 0-37.5 Lessons
Good	95.9% 94%	Your child's attendance is 95.9-94%. Your child is likely to achieve their grades that will give them real opportunities to continue their studies or in the world of work	7.5 -11.5 Days 37.5 -57.5 Lessons
Unsatisfactory	93.9%	Your child's attendance is unsatisfactory. They are below the national government threshold of 95%. This will make it difficult for them to achieve their best.	_
Concern	89.9% 80%	Your child is below 90% which means they are classed as persistently absent (PA). Parents/Carers may face a fixed penalty notice. Your child's attendance is 94-92%. They are below the national government threshold of 95%. Your child will miss up to 16 days each year, this will make it difficult for them to achieve their best	18 –38 Days 90 – 190 Lessons
Significant Concern	79.9% 50%	Your child's attendance is below 80%. You will face a fixed penalty or further legal prosecution if your child's attendance does not improve. Your child is missing so much time from school that it will almost be impossible for them to keep in touch with lessons or work.	38 -95 Days 190- 475 lessons!

4. Responsibilities

- Parents/carers are responsible for ensuring that children attend school both regularly and on time.
- The school is legally responsible for reporting poor attendance to the Local Authority
- The Local Authority has a duty to make sure that all parents/carers fulfil their responsibilities.
- Parents/carers are committing an offence if they fail to make sure that their children attend school regularly, even if they are missing school without their knowledge.
- Parents/carers can be fined up to £2,500 or imprisoned for failing to ensure that children attend school regularly.
- Parents/carers should ensure that school is updated with new contact details for themselves and their children including addresses, phone numbers (particularly mobile numbers) and email address changes
- For enquiries about attendance or punctuality, parents/carers should contact the school's Attendance Officer, Miss Clark.

5. How is attendance and absence recorded and reported?

Attendance is recorded every day. There are two points of the day when attendance is recorded – *morning registration and afternoon registration (P4)*.

Every half-day absence from school has to be classified by the school (not by the parents/carers) as either **authorised** or **unauthorised absence**.

Structure	Time
Students arrive on site	08:45
Registration and tutorial	08:50 - 09:10
Period 01	09:10 - 10:10
Period 02	10:10 - 11:10
Break	11:10 - 11:30
Period 03	11:30 - 12:30
Lunch	12:30 - 13:15
Period 04	13:15 - 14:15
Period 05*	14:15 - 15:15*

^{*}Students leave after Period 04 on a Tuesday due to staff training

Authorised absences are mornings or afternoons away from school for a reason like illness, medical/dental appointments, emergencies or other unavoidable causes. The list is not exhaustive and is always at the discretion of the Attendance Officer and Leadership Team. Where possible, we ask that medical/dental appointments are arranged for out of school time.

Unauthorised absences are those for which the school does not consider to be reasonable. Typical reasons for unauthorised absence are:

- Parents keeping children off school unnecessarily
- Absences which have never been properly explained
- Shopping trips or birthdays
- Day trips and holidays in term time
- Parent looking after other children so child unable to come to school
- Childcare/babysitting
- Tiredness
- Current attendance under 90%

Whilst any student may be off school because they are ill, in some cases there may be other issues which means that they are reluctant to attend school. If a student is reluctant to attend school, we encourage parents/carers to highlight this and work with us to support the child.

Persistent Absence

In September 2015, the Department for Education (DfE) announced that any student whose attendance falls below 90% will be classed as a Persistently Absent student. Therefore, if a student misses 19 or more days over an academic year they will be classed as persistently

absent. Absence at this level can cause a significant disruption to any student's education, and we expect parents/carers support and co-operation to improve this

If a student is classed as PA in the previous academic year:

- Parents/carers will be informed of this by letter and will be invited to a meeting with the tutor in order to set targets for attendance and to explore opportunities to support the student and their families
- Their attendance will be monitored by the attendance officer
- All future absences will be marked as unauthorised unless medical evidence is presented

6. Punctuality

Monkseaton High School recognises the vital role that good punctuality plays in a student's school life and academic achievement. Punctuality is a habit that enables future success, therefore we need to ensure that punctuality is excellent.

Students should arrive at school for 8:45am daily. If there is a genuine reason why a student may arrive late to school we ask that parents inform us of this.

Students are reminded of expectations and their own responsibility for their attendance and punctuality at regular intervals by form tutors and senior members of staff.

A student regularly arriving late to school will lose valuable learning time. For example,

- 10 minutes late each day loses nearly 7 days of learning each year
- 20 minutes late each day loses nearly 13 days of learning each year

7. Encouraging and Celebrating Good Attendance

Every student has an aim of having 96%+ attendance as a minimum. There is evidence to show that good attendance is significantly correlated with higher performance and outcomes in examinations. It is important that all our students attend school as much as possible to ensure that they are able to fully succeed with their learning and the opportunities presented to them.

% of Students achieving five 9-4 grades including English and Maths	Attendance	
65%	100%-96%	Excellent Attendance
62%	95.9%-94%	Good Attendance
58%	93.9%-90%	Concern
38%	89.9%-80%	
20%	79.9%-70%	
12%	69.9% - 50%	Significant Concern
5%	49.9% and less	

We believe in celebrating the success of our students and this includes attendance:

 An amazon gift voucher is randomly awarded every fortnight to a student with 100% attendance in the previous 2 weeks

- Pastoral Raising Achievement Leaders will email tutors each week with the attendance percentage of their registration group.
- Every half term certificates are awarded for 100% and 96% +attendance. These are worth 10 and 5 ClassChart points.
- The attendance officer will reward improving attendance for targeted students with a range of prizes.

8. Communication with Parents and Carers

- 100% Half Termly Attendance Gold Award Postcard home 10 ClassCharts points
- 96% Half Termly Attendance Silver Award Postcard home 5 ClassCharts points
- 96% and below Text home to parents/carers to reinforce the link between attendance and achievement
- 93% and below Warning letter and conversation with parents/carers with regards to support the school can offer (action plans, Early Help Assessments etc.). Regular texts home to reinforce the link between attendance and attainment
- 90% and below letter to parents/carers and a review of any plans/support in place. Referral to local authority where appropriate.

Analysis of student half termly attendance is used conducted to forecast their end of year attendance. If a student is forecast 'persistently absent' (below 90%), we will inform parents via letter at the beginning of each term to encourage an improved attendance.

9. Absence and Punctuality Procedures

Absence

- Where absence is known in advance, parents are asked to advise us in writing
- For all other absences, parents/carers are asked to contact school by telephone, **before 8.30 am** on **each day** of absence.
- Parents who have concerns regarding their child's welfare, including attendance and punctuality, are asked to contact school promptly to allow for early intervention and to ensure appropriate support is put into place.
- Receipt of an absence note does not automatically authorise absence. The only
 legally acceptable reasons for not being in school are illness and medical
 appointments. Wherever possible medical or other appointments should be made for
 times outside of the school day.
- Absence is ultimately authorised at the discretion of the attendance officer and/or leadership team. Further explanations may be sought in some circumstances and the school may choose not to authorise absences where they feel insufficient evidence is available to substantiate absence.
- If we do not have a reason provided for an absence, parents/carers will be contacted by a text message asking for someone to call the school regarding the absence.
- In the event that we still do not have a valid reason for absence this will be followed by a phone call and in some cases a home visit.

Punctuality

Students are expected to attend school punctually every day. We appreciate that there may be occasional instances where this may occur due to circumstances outside of a student's control. Should this be the case, parents are asked to contact the school.

- Latecomers after 9.00am will be met at the door by the attendance officer and their names recorded. Students should then go directly to registration.
- The attendance officer will send a late text to parents/carers to notify them.
- If a student is late to school twice in a week, a call-back will be set with their tutor. If punctuality continues to be poor students may be placed on a punctuality report
- This will be monitored over time and contact with home will be made by the tutor in the first instance.

10. Holidays during term time

Please be aware that Headteachers cannot grant or authorise any leave of absence during term time, unless there are exceptional circumstances (each situation will be considered on an individual basis). Parents/carers should seek permission for a leave of absence during term time prior to the leave, fully explaining the reasons for the request. This permission should be sought at least three weeks in advance. Leave of absence forms are on the website or available from the front office.

11. Penalty Notice

School may request the Local Authority to issue Penalty Notices in respect of unauthorised absence in accordance with the local code of conduct.

Penalty notices may be used to tackle unauthorised absence in the following circumstances:-

- For all cases of unauthorised absence where attendance is below 90%
- For any situation where unauthorised leave of absence is for a holiday during term time. In relation to term time holidays, the child's level of attendance will not be an influencing factor. If the leave of absence is refused by the school, then a Penalty Notice can be issued.
- In cases where a student is persistently late for school after the register has closed.
- In cases where a student's parents/carers fail to work with the school and the Attendance and
- Placement Service to improve attendance
- If a student is absent for 10 or more half-day sessions (five school days) of unauthorised absence during any 100 possible school sessions these do not need to be consecutive.
- Absence for any public examination, or formal school assessment, test or examination where dates are published in advance.

12. Use of the Fast Track System

The Fast Track Process will be used when a student's percentage attendance is exceptionally low. Attendance will be monitored by the school for four weeks; parents/carers will be notified of this by letter. At the end of this period if there is no improvement the case will be referred to the Attendance and Placement Service who will consider whether the case should be referred for a court hearing. The result of this can be a substantial fine or in some cases, imprisonment

We will reply to all applications in writing stating whether or not the absence has been agreed. If the leave is not granted, the reason for not authorising a request will be clearly stated, as well as the possible consequences of disregarding the refusal. If a parent removes their child from school without requesting a leave of absence or without authorisation from the Headteacher, we will inform the parent in writing that a referral is being made to the Local Authority requesting a Penalty Notice to be issued. Parents will be made fully aware of a Penalty Notice being issued, and that failure to pay could lead to prosecution.
