

MONKSEATON 6th FORM NEWS

Winter 2022

Hello and welcome to the **Winter** KS5 newsletter. The last half term was a busy one with Year 13 students finishing their UCAS applications. Many of them have started to receive offers and we will be guiding them through the next steps this half term. Year 12 students are working well through their journey for life programme and will be introduced to Unifrog this half term. Unifrog is a fantastic resource that we have access to. It allows students to search universities, apprenticeships, and MOOCs, as well as research studying abroad and logging their personal choices.

This newsletter will give you an overview of last term as well as key dates for your diary. This term we are having a focus on Punctuality and Attendance. Students should ensure they are in registration every day. If your child is absent our attendance officer should be contacted and we expect our students to contact their teachers for work, however, should your child need to isolate for a length of time we will email work. If you have any issues or queries you can contact me on alison.thompson@monkseaton.org.uk or Claire Shorting on claire.shorting@monkseaton.org.uk

Thank you for your continued support.

Mrs Alison Thompson (Pastoral Raising Achievement Leader for Sixth Form)

Mrs Claire Shorting (Assistant Pastoral Raising Achievement Leader for Sixth Form)

ClassCharts is used in Monkseaton High School to log the positives and negatives of students across the school. RESPECT points are awarded at school by staff for positive contributions, attitude and work. All students have their own login to see where they are being awarded points across the school. All parents/carers/guardians also have their own login to see this information for their child. If you are unable to access ClassCharts please email Kerry.Davison@monkseaton.org.uk to resolve this.
