Half-term 4 March – April

Year 9 Spanish

Lesson	Instructions	Resources	Curriculum
1	**Where in the world is Spanish spoken?** Watch the video on Spanish-speaking countries and their capital cities. Label the map with country names and their capital cities. Use google maps as a support tool if you need it. **Learning more about the Spanish-speaking world** Use the sentence builder to create 10 sentences in Spanish introducing a person's name and saying where they live, then write the English translation.	Video Map to label Sentence builder	**Unit 1 ¿Hablas español?** Building awareness of the Spanish-speaking world Building your geographical knowledge of the Spanish-speaking world
2	**What are the sounds of the Spanish language?** Watch the video and read the information about Spanish letters and the sounds they make. Listen to each sound file to help you understand. Make a grid of the key letters and sounds. Test your learning by taking the quiz. **Getting to grips with the basics** Learn numbers, months and days of the week by watching the video, making notes of key vocabulary and completing the tasks & quiz.	Link to alphabet BBC bitesize Link to numbers/days/months BBC bitesize	**Unit 1 ¿Hablas español?** Understanding the sounds of the Spanish language Understanding dates
3	**How do I introduce myself in Spanish?** Watch the video and read the information about greetings and how to introduce yourself in Spanish. Make a Spanish/English word list of the key vocabulary. Complete the gap-fill task & take the quiz to test your learning.	BBC bitesize	**Unit 1 ¿Hablas español?** Greetings and introducing yourself

Please email any queries and completed work to your Spanish teacher
