

13 February 2023

Dear Parent/Carer

Year 13 Progress Evening 02 March 4:00pm-7:00pm

I would like to invite you to meet with your child's subject teachers on **Thursday 02 March 2023**. The evening will provide an opportunity for you to discuss your child's current progress and attitude to learning in each of their subjects, as well as an update on their recent assessments. These assessments are crucial for the students as the results give a very real indicator of the current level they are working at, as well as providing a clear idea of areas that they need to focus upon in the lead up to the final exams.

We will be using our online system School Cloud to book appointments, but **the evening will take place face to face at school**. School Cloud can be accessed from a smart phone, laptop or PC and the system will allow you to choose your own appointment times with teachers. You will receive an email confirming your appointments.

Please visit <https://monkseaton.schoolcloud.co.uk/> to book your appointments. Appointments can be made on this platform from **13 February** and will close on **02 March**. You can find helpful videos to further support you by accessing the 'Students & Parents' section of our website: <https://www.monkseaton.org.uk/progress-evening>.

Y13 Mock Results Morning

To complement progress evening, we will be hosting a trial results morning, for all Year 13, during tutorial on 02 March. During this they will get a taste of what it would be like to receive their results in August, and to consider the question: "Imagine if these were your final results- how would you feel?"

We believe that for your child to be successful in school and reach their full potential it is important that both home and school, work together in partnership. There is no doubt that support from home is a key factor in students doing as well as possible at school, so I urge you to sign up to this event. This will be the final, formal opportunity for you to meet with the subject teachers and to discuss progress and ways forward that would help make a difference to each child's performance in their exams.

If you have any queries please don't hesitate to contact main reception on 0191 297 9700 or email at office@monkseaton.org.uk.

Yours faithfully

Rachel Orr

Year Leader
