

Dear Parent / Carer

You may already be aware that at Monkseaton High School, we have decided to use Seneca Learning to set homework and revision for our pupils.

Seneca is an adaptive learning platform, with a methodology entirely based on neuroscience, written by experts and academically proven to double students' outcomes.

Not only are they fun and effective, but they also adjust each assignment to each pupil, optimizing their learning and providing teachers with detailed information about the class's progress.

The reason we are writing this letter is to let you know that Seneca also has a free parent platform!

With this free parent account, you can support your child's studies, monitor their learning and identify their weaknesses and strengths in each subject.

Parental engagement has a significant positive effect on learning outcomes. Thus, we highly encourage you to sign up.

Please see the following useful links to get started and get in touch if you need any assistance.
